**Notification pursuant to Rules 41(1), 111(2) EPC in conjunction with Article 91(1) EPC**

Your attention is drawn to the following deficiency in the above-identified European patent application:

☐ The indication of the file number(s) of the previous application(s) from which priority is claimed is (are) missing.

☒ A copy of the previous application from which priority is claimed is missing.

GB 0216648.6 (19.07.2002)

.....  
The copy must be certified as an exact copy of the previous application by the authority which received the previous application and shall be accompanied by a certificate issued by that authority stating the date of filing of the previous application.

Where multiple priorities are claimed, ALL copies must be filed within the time limit specified below.

In the event of failure to remedy the indicated deficiency within **TWO MONTHS** after notification of this communication, the right of priority will be lost for the application (Art. 91(3) EPC).
